RE: Bonding to Drains Unlimited stainless steel drains

Dear Mr. Kozlowski,

In response to your request, MAPEI Corporation is pleased to recommend the below system of products which are compatible to bond to stainless drain flanges.

Waterproofing Membranes

- ***Mapeguard WP 200*** – waterproofing sheet membrane
- ***Mapelastic AquaDefense*** – premium, waterproofing and crack-isolation membrane
- ***Mapelastic Waterstop*** – waterproofing and crack-isolation membrane
- ***Mapelastic Turbo*** – premium, rapid-drying, waterproofing and crack-isolation membrane

Setting materials

- ***Kerapoxy 410*** – epoxy setting mortar

Please follow all manufacturer's technical data sheets, recommended installation procedures and industry standards to ensure a successful installation. Refer to the most current technical data sheet for more detailed information regarding the use of MAPEI products. Technical data sheets and material safety data sheets are available at www.mapei.com/US-EN.

Thank you for choosing MAPEI products.
